CERTIFICATE IN

NEURO LINGUISTIC PROGRAMMING

Course Introduction:

Your brain, thoughts, and behavior are at the core of everything that you do every day, even if you aren't aware of it. In order to truly achieve the results that you want to achieve, you must master the art of bringing your unconscious thoughts to the surface, so that you can have real choice over how you interact with and respond to the world.

Neuro linguistic programming can give you the tools to do just that. On this course you will learn the basics of neuro linguistic programming. We will give you the tools to manage your thoughts, and thereby manage yourself.

Creating Comprehensive Outcomes

Establishing an Inner Map
What Does Congruency Mean?
Achieving Congruency
Creating Comprehensive Outcomes

UNIT 5

Use of Anchors

How to Use Anchors?
Creating a Desired State
Basic Anchoring Techniques
Collapsing Anchors
Chaining Anchors
Chunking Information

Your Learning Experience - FAQs

How is the course delivered?

Guided learning hours for the course are 125. The course is flexible you can work according to your own schedule. The course is assignment based after each course unit you will complete an assignment which you will submit to your tutor for marking. The tutor will mark the assignment and will upload feedback on the portal within 10 working days of the assignment being submitted. On successfulcompletion of the unit you will move on to the next unit and this you will complete your course. There is no formal exam to take at the end.

How will I study?

When you enrol on this course you are assigned a personal expert tutor, to guide and encourage you throughout your studies with the College. Your tutor will be available throughout your course to give you help with specific issues, and difficult topics.

Relevant practical exercises and projects are introduced throughout the course aimed at applying the theory and skills learnt.

What is so special about this course?

This is a unique course. We start from the very basics and give you all the essential knowledge required for working in the field successfully.

What support do students get?

Learning Material

All the core learning material will be provided to you from the college. You don't have to buy any text books. However we encourage our students to conduct their own further reading.

Additional Supporting Material

Additional support material and useful links are available on the LMS (Learning Management System) for further reading.

Tutor Support

When you enroll on any of our courses you are assigned a personal tutor to support you with your studies. You complete all this work under the supervision and guidance of your tutor who provides you feedback on your assignments and course work on regular basis throughout your course.

Online Discussion Forum

Our online forums enable you to share ideas with other students and support each other throughout your studies. Tutor's regularly review the forums and reply to student's questions or concerns.

Is the course accredited?

This course has been accredited under ABC Awards QLS (Quality License Scheme) by Brentwood Open Learning College. ABC Awards is a leading national Awarding Organisation, regulated by Ofqual, and the Welsh Government for their qualifications on the national framework i.e. the Qualifications and Curriculum Framework (QCF). It has a long established reputation for developing and awarding high quality vocational qualifications across a wide range of industries.

As a registered charity, ABC Awards combines 180 years of examination and assessment expertise but also implements a responsive, flexible and innovative approach to the needs of our customers.

How much does it cost?

The full course fee is **£360**
